SUBJECT: BUILDING PARTNERSHIPS VII CONFERENCE

This information bulletin is to encourage the Service Delivery Areas (SDA) to send a Private Industry Council (PIC) labor representative to the forthcoming annual Building Partnerships Conference VII which is being planned by the California Labor Federation Workers Assistance Program.

Under the leadership of the California Labor Federation, AFL-CIO, the California Workers' Assistance Program (CWAP) promotes and maintains a vital partnership link between labor organizations and the job training system throughout the State. This linkage ensures that the job training system makes full and effective use of labor's employment and training resources for the revitalization of the State's economy. The CWAP is funded by a Title III 40 percent grant through the Job Training Partnership Division (JTPD). The CWAP brokers employment and training partnerships between labor, industry, and government to assist union or non-union California workers who are displaced and unemployed, or who are threatened to be displaced due to adverse economic conditions or to industry or military base realignments.

Attached is a conference announcement and information on one workshop. The fiscal workshop is offered as part of a fiscal trade that is offered by the AFL-CIO Working for America Institute in conjunction with this conference.

The JTPD encourages you to consider sending a fiscal person and a PIC labor representative to the Conference that will be held on May 3-5, 1999, at the Riviera Hotel in Palm Springs, California.

The SDAs are encouraged to pay the travel and expenses for their representative attendees from State Approved Local Training (SALT) funds.

Please contact Barry J. Lacey at (916) 653-4043 if you have any questions regarding this information bulletin.
